Ann-Margret Piro Award

This award was introduced in 2010 in memory of our lovely Ann-Margret who passed away in January of that year. Ann-Margret was a working mum who had two son's playing for the club who always had time to lend a hand.

Ann-Margret was one of those people you just love having around a sporting club. She always had a very enthusiastic approach to getting things done and it was always done with a smile on her face. She took over as secretary when the club needed her and her contribution to the committee was huge, she quickly became a popular member of this group.

She helped out on Open Days, Presentations, Family Days and fundraising. In particular, she helped out Susan when things got frantic, she was always saying "Susan you do too much, let me do it". She was behind Santa's visit at one of our Family Days, which was a hit with the younger and older players alike. She was court supervisor at Campbelltown last summer season with Andrew Bennett, and she was out there every Saturday morning making sure the nets were up and running the canteen.

Ann-Margret was very good at recruiting new junior players for Campbelltown amongst her many friends and acquaintances. She will always be thought of fondly and her loyalty to the tennis club will not be forgotten.

The Tennis Committee are extremely proud to have this award in her honour for years to come, for the most sportsmanlike junior at the club.

Malcolm Winneke Trophy

The Malcolm Winneke Trophy was initiated in 1993 to honour the memory of a person who dedicated many years of service to the Eastern Districts Tennis Association. He was the President & Chairperson of the Association for 12 years and a Life member. His untimely death in 1992 saddened us all and this award to those who each week display the qualities which he most admired - sportsmanship, court manners, attitude and dress. Senior captains, in conjunction with team members vote for the player/s of the opposition who they believe best fill these criteria.

Les Semmens Award

This award was first introduced in 2004/05 to honour the memory of Les Semmens, who devoted much of his life in assisting junior tennis players in the Eastern Districts Tennis Association. Les may not have been known to all junior players, but to those who have come through both the Boys and Girls division one over the past 14 years would have known him as the friendly face and voice behind the canteen at Tranmere. Les' enormous and unwaivering voluntary contribution to our Association juniors and their parents on a Friday night was unparalleled. Due to failing health Les sadly passed away in 2002. This award is in recognition of his service and the many things that Les stood for and recognised in many of our junior players, he also played the game with these qualities that this award will be based on. Junior team captains are to record their vote for the player from the opposition team, who, in their opinion, displays the best sportsmanship, court etiquette, attitude and dress.
